

HOLMWOOD HOUSE SCHOOL

EQUIPMENT REQUIRED BY ALL PUPILS IN THE PREP SCHOOL

Please ensure that everything is clearly named

Holmwood House bag

Years 4 to 8 carry a black Holmwood rucksack, which can be purchased from COES, our uniform supplier.

This bag should contain:

1. Prep diary (provided by the school)
2. An age-appropriate reading book
3. Rough book (provided by the school)
4. Calculator – Year 6 up (supplied by the school and added to your account)
5. One pencil case containing:
 - any suitable pen with cartridges/refills. Black or blue ink only.
 - 2 HB pencils
 - rubber
 - pencil sharpener
 - a 360 degree protractor
 - long ruler (30 cm)
 - set of coloured pencils
 - highlighters (minimum 2 - any colour)
 - earphones (labelled with your child's name)
6. A chromebook (Years 4 up) . These can be purchased through the school or bought from reputable retailers but please follow the following specifications:

The model that we currently use is the HP Chromebook 11A G6 EE 11.6inch AMD A4-9120C 4GB 16GB SSD.

We have found the HP models to be very reliable over the past four years but if purchasing your own, please do not buy a model with a screen size larger than 11.6" as they become cumbersome and heavy.

The following points are designed to help you in your purchase:

- A Windows laptop is not an acceptable alternative; it must be a Chromebook;
- Screen size no larger than 11.6";
- Please refrain from buying distracting colours;
- Protective cases are easily found.

Once purchased, the device must be configured for use in school - if left at the front office in the morning it will be ready to collect from the front office by pickup time. The cost of this, which includes compulsory subscription to the school's GoGuardian filtering system (£7.38 including VAT) as well as a Google Device Licence fee (£22.80 including VAT) will be added to your school account.

NB All stationery is available from the front office. Should a pupil need an item of equipment, they will be sent to the front office where they will receive it and it will then be added to your account at the end of each term.
