of parents strongly agree and agree that they can communicate easily with nursery and receive timely responses

87%

of parents believe encouragement to be involved in nursery life and information about future developments is just right

“ Since my daughter was 6 months she has attended the nursery. From day one, both her and myself felt completely at ease and settled within the nursery. It's done her a world of good, and her progression since attending has been amazing.

“ We could not ask for a better nursery setting and caring staff to look after our child. The staff celebrate every child's achievements no matter how big or small. And they always seem to go above and beyond!
