

Global Studies Revision

Y8 Revision Autumn 2020

Level 2

Topics to revise for your November Global Studies exams are:

Population and Migration Geography - including knowing the locations of 5 MEDCs, 5 LEDCs, 5 densely populated places and 5 sparsely populated places on a world map. Revise all the terminology in your books including case studies of an MEDC and an LEDC, and interpretation of Population Pyramids.

History of Medicine - revise the information you gathered for your essay or presentation.

Analysis of historical sources - review the work we have done on this. There is a practice question on Google Classroom that you can use for revision.

Beliefs about the Afterlife - revise your learning about Christian, Hindu and Muslim beliefs.
