

Year 5 Art

Holmwood House

Flag and Shield Project

Finish the card shield.

Paper mache the objects and paint them.

Tape over the object (to be stuck down) with masking tape or sellotape

Use PVA mixed with water approximately 60:40 or 70:30 ratio PVA:Water for the mixture and add paper that has been ripped into small pieces as you did on your lanterns in year 4

Extension

Paint the flag that you designed earlier in the term.

Use tape or stencilling to get straight lines or shapes on your painting of the flag.

Create a card stamp of one of your designs and press print it using paint if you have no printing ink.
