

## Useful websites for additional activities

[www.ictgames.com](http://www.ictgames.com) - Maths and English games

Nessy learning - more information to follow on how to log on - English based website.

Numbots - more information to follow on how to log on - Maths website using addition and subtraction facts

[www.topmarks.co.uk](http://www.topmarks.co.uk) - choose a maths games from the KS1 maths - there are lots to choose and you can choose a level that is suitable for your child. There are also Phonic games available. We will try and recommend games as we progress.

<https://worldbook.kitaboo.com/reader/worldbook/index.html?usertoken=Mjk5MzQ6MTpJUjA5MjAxNjoyOmNsaWVudDE2OTc6MTY5NzoyMjE2Mjg4OjE6MTU4NDM4MDEzMzA2Mjp1cw==>

Online reading books. We would recommend the early readers section but there are other areas that might be useful as well for those children who are reading more fluently. It is an American site, so be aware some of the spellings in the books may differ from how the children have been taught. You will need to click on the link above (or paste it into your browser), click on the blue tab which says world book store, click onto the red tab get access, scroll down and click on green button access resources now, fill in the form and you will then get an e mail with log in details.

[www.phonicsplay.co.uk](http://www.phonicsplay.co.uk)

Username: march20

Password: home

We would recommend using interactive resources phases 3-5.
