#### **Lessons in Financial Education**

LiFE is a financial education program that aims to ensure more students gain valuable financial awareness. It gives students a good basic understanding of money and finance and equips them with the knowledge to cope confidently and effectively with some basic financial encounters they are likely to meet.

#### **Rookie Lifeguard Qualification**

Rookie Lifeguard - the scheme begins with Stage 1 of the Bronze Award and progresses to Stage 3 of the Gold Award. It explores water safety and valuable survival, rescue and sports skills.

### **LAMDA**

#### **LAMDA Lessons and Exams**

We will continue to offer LAMDA lessons either individually or in pairs, allowing the students to work towards the higher grades. LAMDA promotes self confidence, inspires and empowers children to become confident communicators. It gives children the ability to captivate audiences, whilst publicly speaking and is a gift that we can ignite in all our children.
