

Year 4, Year 5 and Year 6

The Spring Term for Years 4, 5 and 6 offers a fantastic opportunity to develop their performance virtues as they take on their school productions. Years 4 and 5 prepare for their production before half term, with rehearsals running during activities 1 and 2 on a Monday and rehearsals for some pupils on Activity 1 on a Tuesday.

This then switches around after half term with year 6 taking these rehearsal slots. Production rehearsals are compulsory attendance and therefore not chargeable.

We do not offer after school activities on a Wednesday due to Sports fixtures, but wrap-around care is available at school should you need it.
