

Year 4, Year 5 and Year 6

There are a wide variety of activities available to our pupils in Years 4,5 and 6. Whether they are building on skills learnt during Pre-prep activities, or trying something completely new, there is something for everyone.

We do not offer after school activities on a Wednesday due to Sports fixtures, but wrap-around care is available at school should you need it.

If your child is taking part in activities after school, they will have “quick-break” from 4:00pm - 4:20pm which is time to get changed if needed as well as to eat a snack before joining the evening’s activities.

Monday	Tuesday	Wednesday	Thursday	Friday
