

Reception to Year 3

The Reception to Year 3 activities programme builds on the success of the previous academic year and provides the opportunity to try a few different activities through each week.

Some of the activities are only available to specific year groups, as shown on the activities overview programme. Tennis is bookable with Rob Twyman, Squash with Paul Allen and Ballet, Tap and Modern, and Musical Theatre with Frances Mayhew. These are independently run and billed directly by these individuals. They coordinate collection from school to the activity.
